Lovely Formal Living Room

Kitchen Work Area

Nice 2nd Bedroom

Custom Book Shelves

In-Ground Pool Playground

This is a home that has been well maintained! Beautiful neutral carpeting throughout; 3 bedrooms; master bath; eat in kitchen; dining area; large living room; full bath on the upper level of this raised ranch.

Exit the kitchen to your back yard paradise! Enter the huge screened deck and look out at your large back yard, which includes a built-in swimming pool! Sit on the deck & watch the pool fun, or just relax & enjoy the breeze. Perhaps you would enjoy sitting in the sunshine on your backyard patio? Under the deck are the pool mechanics, as well as ample storage space!

On the lower level, there is a spacious family room for entertaining or just relaxing with a book. That book will be easy to locate in the gorgeous custom-built bookcases! For convenience, there is also a powder room on this level, as well as a nicely sized utility room. Under the stairway, you will find a nice storage area. This level will lead you to the attached 2-car garage, featuring custom built in storage, a new automatic garage door opener and remote transmitters.

The roof was replaced in 2005, and the large lot features many mature trees. The back yard is completely fenced in for your privacy. There is an abundance of sunlight throughout the home, and it is warm and welcoming!
